Johnson with a elbow drop in this All In Match)
Andre The Giant beat Bob Sweetan to win the sixteen man over the top
rope Wrestle Royal.

NOTES:*

On this card at the Kiel Auditorium the matches were fantastic. The Royal was very exciting to watch as Andre whipped the competition. Dick Murdoch and Ric Flair worked well as a team.Flair looked sensational pinning Johnson while Andre and Murdoch battled it out. David Von Erich was in great form when he outclassed his foe. Dick The Bruiser was his usual rough self as he won a hard fought battle against Bob Brown. Dick Murdoch issued a challenge to Dick The Bruiser for a shot at the Missouri State Title. Dick Murdoch overcame the very capable Bryan St John who looked good. The six man Tag Bout was very good and thrilling with Central States Champ Randy Alls, who was looking very impressive as he took the Pin Fall.

The next day February 3, 1979, at the Warwick Hotel in St.Louis, Bill Hill, Roger Deem and myself met with W.F.I.A. convention leaders Mike Gratchner and Diane Devine. We were in the company of a prominent Japanese Photographer Wally Yamaguchi, who showed us some of his outstanding work. Mike Gratchner showed us films of some great matches of Dory Funk,Jr.,Jack Brisco,Ric Flair, Billy Graham, Harley Race, John Tolos and many others.Top Texas Star, David Von Erich was on hand to get in on some of the festivities with us. David is a nice person as well as a good wrestler.
To me this was one great experience that will long be remembered.

SPOTLIGHT: RANDY ALLS AND JERRY STUBBS

There have been many athletes who did not have overnight success. It took them many years and much toil and patience to obtain their great stature.

It is the same way with wrestlers. Overnight success is not common. However, there are two wrestlers who are enjoying overnight success. They are Randy Alls and Jerry Stubbs.

Let us go back a year and a half ago to the Florida wrestling scene where Alls and Stubbs were appearing. They won very few matches and were considered average prelim wrestlers. Then about six months later they left Florida and went to different areas.

Randy Alls ventured to Hawaii and had better luck there. He began winning more matches and improving as a wrestler. After leaving Hawaii he went to the central states. Once there he took the wrestling world by storm. He defeated all opponents such as, Buck Robley, Tank Patton, Bruiser Bob Sweetan, Hartford Love, and Bobby Duncum. As of this writing Alls holds the Central States title.

Now let us talk about Stubbs. He left Florida for the mid-Atlantic states. While there he, too, matured into a better wrestler, as Alls did in Hawaii. After leaving the mid-Atlantic states he went to Louisiana-Mississippi area and took the wrestling world by storm. He defeated all opponents such as, Gino Hernandez, The Spoiler, Bobby Jaggers, Jerry Brown, Mark Lewin, Stan Hansen, The Assassin, and Ernie Ladd. As of this writing he holds the Louisiana and Mississippi state titles.

The question arises, why the promoters are giving these young men such a great push towards stardom, when other great wrestlers had to climb the ladder of success all the way. One other question which comes to mind is what Alls and Stubbs would accomplish in the ring with former world champions such as, Jack Brisco, Terry Funk, Bruno Sammartino and Verne Gagne. Only time will tell.

S.T.H. NOTES

Dick Slater left Florida and Crusher Blackwell left the W.W.W.F. Both of these Stars are now in Knoxville, Tennessee, they are doing very well. In that same area Boris Malenko and Ronnie Garvin are continuing their long feud. In the Memphis, Tennessee area Austin Idol and Jerry Lawler are tearing each other apart. Two recent additions to the W.W.W.F. are Fred Curry and Steve Travis. Both Stars are winning many matches and look very impressive in the ring. Bulldog Brower has entered the W.W.W.F. and is causing some havoc, his manager is Lou Albano. Mr. Albano is guiding Brower for a shot at the W.W.W.F. Title held by Bob Backlund. As of recent Greg Valentine has been using his figure four leglock to cripple his opponents. At this writing I have been told the W.W.W.F. has banned the figure four leglock because Greg Valentine abused the hold to such an extreme.

Leroy Brown won the annual Los Angeles, California Battle Royal in January 1979. Ron Starr won the annual San Francisco, California Battle Royal in January 1979. Blackjack Mulligan has been wrestling in the Central States area as well as West Texas and kicking up a storm. In Texas Kevin and David Von Erich have been doing fine as a team and in the individual competition as well. Mark Lewin has been creating a stir in the Lone Star State with his unruley ring tactics. Lewin is now in the Stable of Manager Gary Hart. The Spoiler is also under contract to Mr. Hart. Mark Lewin and The Spoiler are a devestating combo to deal with. Nelson Royal has given up the N.W.A. World Jr., Heavyweight Title due to personal problems. There will be a tournament coming soon to decide who will be the new Champ. The tournament will probably take place in the Louisiana , Oklahoma or the Mississippi area. N.W.A. World Champ Harley Race has been defending his title in fine fashion against some tough opponents. The same holds true for A.W.A. World Champ Nick Bockwinkel. The two great Stars are very proud men and great veterans of the sport. They have faced the best and are still holding their belts. Greg Gagne and Billy Robinson are still seeking title shots at Nick Bockwinkel. Ric Flair and Ted DiBiase are looking forward for some title shots at Harley Race. Mr. Bockwinkel and Mr. Race are in for some great matches ahead of them.

NOTES:*

The MS.G.Card above was very good, due to the fact that W.W.W.F. Champ Bob Backlund and Challenger Greg Valentine went to the full one hour time limit. Both Bob and Greg showed they are Marathon wrestlers and displayed many different holds. This event was probably Backlund's greatest bout so far at MS.G. Bruno Sammartino did not appear because of the bad weather conditions. Ivan Putski looked great subbing for Bruno against Ivan Koloff. Putski also did very well against Victor Rivera.

NEXT M.S.G. CARD: 3/26/79
